## **Sabre launches strategic collaboration with trusted engineering partner Coforge to accelerate pace of product innovation and delivery**

Fortified partnership seeks to fast-track advanced AI solutions, driving superior customer outcomes

**New Delhi, India – March 4, 2025 – Coforge Limited (NSE: COFORGE)**, a premier global digital services and solutions provider and **Sabre Corporation (NASDAQ: SABR)**, a leading global travel technology company, today announced they have entered into a new agreement that will strengthen their long-standing partnership to supercharge Sabre’s product roadmap.

This multi-year agreement positions Coforge as a key partner in furthering Sabre’s ability to accelerate product delivery and launch additional innovative AI-enabled solutions, further underscoring the company’s commitment to speed and scale.

“Both Sabre and Coforge share a similar DNA as technology firms with a strong focus on cutting edge engineering solutions, customers and the travel industry,” said Sudhir Singh, CEO & Executive Director, Coforge. “Our new agreement is a major milestone in our partnership with Sabre. The scale and the complexity of the mandate reflects the deep trust and capability that both organizations bring to this partnership. It underlines, once again our strong commitment to engineering excellence and driving emerging innovation and transformation for our clients.”

“2025 is a pivotal year for Sabre,” said Kurt Ekert, CEO and President of Sabre. “Laser focus, ruthless prioritization and key technology investments have positioned us to intensify innovation and reinforce our pursuit of being the most valued global technology platform in travel. Sabre is in an advantaged position to pioneer, build, and deploy the next generation of solutions alongside our continuously expanding travel marketplace, and we look forward to Coforge’s partnership in expediting the process.”

Sabre’s future-forward technology and disruptive approach to the market, coupled with Coforge’s scale and expertise, seeks to become a driving force in modernizing the travel industry as a whole – leading a new standard for the pace of change.

This 13-year partnership contract is valued at approximately USD 1.56 billion.
