Coforge recognized with Intelligent Automation award from Pega at the Partner Awards at PegaWorld iNspire

Greater Noida, India, June 18, 2024: Coforge Limited (NSE: COFORGE), a global digital services and solutions provider, announced today that it has been honored with the **Intelligent Automation award** from [Pegasystems](#), the leading enterprise AI decisioning and workflow automation platform provider, for its work in demonstrating exceptional capabilities in delivering end-to-end automation solutions for a leading American insurance company. Coforge's automation solutions, based on Pega, helped the firm to optimize business processes, enhance customer experiences, and drive operational efficiency to support their clients in achieving significant business outcomes. The Coforge leadership team received the trophy at the Partner Excellence Awards during PegaWorld iNspire in Las Vegas. The Pega Partner Awards celebrate organizations that empower Pega customers to thrive by offering innovative solutions that enhance customer agility and drive competitive advantage.

Judy Buchholz, senior vice president of global partner ecosystems at Pega, congratulated Coforge on their achievement: "Coforge's deep understanding of Pega's intelligent automation capabilities unlocks game-changing business value for our clients. Their ability to implement Pega solutions at scale drives significant improvements across entire enterprises. With a significant pool of Pega certified consultants globally, Coforge brings extensive domain expertise into every implementation and deployment. We are jointly investing in sales, marketing, and solution development to help solve complex business challenges for clients across industries including insurance, travel, manufacturing, and public sector segments."

As a global Elite partner of Pega for over a decade, Coforge has helped clients across various industries in delivering robust intelligent automation and digital transformation solutions. Coforge's expertise lies in providing advanced, end-to-end solutions that bridge the gap between customer engagement, intelligent automation, customer decisioning, and exceptional service. By combining personalized user experiences across digital channels with intelligent bots and AI-powered decisioning models, Coforge helps clients streamline business processes, robotics, and case management, paving the way for a smarter future.

"We are honored to receive this prestigious Intelligent Automation award at the Pega Partner Award from Pegasystems," said **John Speight, Chief Customer Success Officer**, Coforge. He added, "By leveraging Pega's industry-leading platform and frameworks alongside Coforge's deep domain expertise and proven transformation capabilities, we empower our clients to achieve significant improvements in IT and business agility. Our partnership with Pega exemplifies a commitment to innovation, responsible AI, and ethical practices, ensuring our advancements benefit the societies we serve."

As a proud Pega Global Elite Partner, Coforge brings deep industry expertise and a track record of successful implementations for the past 14 years. With over **1300+ Pega-certified professionals and 115+ Pega Lead System Architects**, Coforge is one of the highest certified Pega practices globally. The company has delivered over **350+ successful customer implementations** across various industries, including **Insurance, Banking & Financial Services, Government, Manufacturing, Healthcare and Life Sciences, Travel, Transportation, and Hospitality**.

Coforge brings a focused Pega Centre of Excellence for domain consulting and emerging tech, ensuring tailored solutions that align with evolving industry needs. Recognized as a trailblazer in Low-Code by a leading Analyst firm, Coforge combines innovation with efficiency to drive digital transformation.
